

## **LEWES BPW UPDATES – APRIL 2018**

### **General Information**

4:00 p.m. – Wednesday, April 25, 2018 – Regular Board Meeting – City Hall

### **Electric Department**

The Electric Department is still working on changing out the transformers in Cape Shores. Currently, we are waiting on additional parts for completion.

### **Hydrant Flushing**

Tuesday and Wednesday – April 3 and 4, 2018 ... Hydrants will be flushed beginning at 6:00 a.m. on the town side on Tuesday and at 5:00 a.m. on the beach side on Wednesday. Water pressure may be low during this period. If you should have discolored water, please let your cold water run for a few minutes until it clears. Refrain from using automatic washers and dishwashers while we are in your area.

### **Household Hazardous Waste and Electronics Equipment Collection Day**

Will be held on Saturday April 28, 2018 from 10:00 a.m. to 2:00 p.m. at 227 Schley Avenue (The Old Power Plant), as well as the City of Lewes Police Department National Drug Take Back Day.

### **Water / Sewer Department**

The Water Department must always have access to the Water Meters. Please refrain from planting flowers, trees or shrubs four feet in front or around hydrants and meter pits. This is a precaution for when there is a water leak emergency to locate the meter in a timely manner or if we do not get an accurate reading.

### **Front Street Project**

The 1812 parking lot is accessible for parking for foot traffic to the Post Office and other Front Street businesses. Please walk around the construction in progress. Sewer mains and manholes are being installed. Please anticipate detours around the work site, as it will be in place for the next month and a half.

### **Gills Neck Road**

Paving and the waterworks is complete. We are continuing to work on the punch list items.

### **Trash and Yard Waste**

Trash and Yard Waste are handled by the **City of Lewes** ... please contact them at 302-645-7777.
